GRADE: 12
DIVISION: PREVENTIVE HEALTH SERVICES – CLINICAL SERVICES

POSITION SUMMARY:
Primarily responsible for providing public health nursing services to the public and is involved in community health activities.

PRINCIPAL DUTIES/RESPONSIBILITIES:
The following functions represent the majority of the duties performed by the position, but is not meant to be all-inclusive or prevent other duties from being assigned when necessary.

ESSENTIAL JOB FUNCTIONS:
1. Interviews patients to obtain medical history and update records; and explains medical forms and assists patient in the form completion.
2. Reviews client’s admission paperwork, eligibility criteria, BCD and fee payments to determine the correct public or private funding resources to utilize. Completes BCD and client medical records to indicate service(s) provided per clinic visit.
4. Reviews and evaluates immunization records, and administers immunizations.
5. Performs assessment, testing, screening, and treatment services to clients utilizing the Physician Approved Protocols.
6. Collects and prepares lab specimens as needed and per established guidelines; and completes necessary requisition for specific lab tests to assure proper routing of all specimens.
7. Applies knowledge of all contraceptive methods, including emergency contraception and sterilization in the provision of comprehensive family planning options/procedures counseling.
8. Recommends, counsels and administers medication and treatment; and provides instruction on medical procedures to patients according to Physician Approved Protocols.
9. Performs adult health screening for cholesterol, anemia, blood pressure, blood sugar and the presence of cervical cancer; and teaches breast self-examination and does clinical breast exams.
10. Documents clinic visits and follow-up action, prepares and sends correspondence for follow-up and maintains clinic records.
11. Receives calls from patients and counsels regarding problems, follows up on missed appointments and abnormal pap/laboratory results and maintains necessary records.
12. Extends clinical service and community outreach by assisting with provision of health education, limited screenings or immunizations at local health fairs, schools and Caring Van sites.
13. Participates in orientation process of new staff and students.
14. Participates in Health Department meetings and community meetings related to health center services.
15. Completes required training in support of duties and responsibilities of this position.
16. Other duties as assigned including those required to fulfill activities in support of public health emergency response operations.
