| Physical Distancing | • Limit activities outside of the home  
• Distance at least 6 feet from anyone outside the home  
• Work from home when possible  
• Individual outdoor activities such as walking, biking, etc. are acceptable  
• Caution expansion of interactions with others, outdoor activities preferred  
• Gatherings and events only with modifications (i.e. physical distancing, face masks, etc.)  
• Follow [CDC Travel Guidelines](https://www.cdc.gov) | • No distancing for people without symptoms, unless they are under quarantine as a result of being exposed to someone who is infected  
• Quarantine and testing of symptomatic persons  
• Outdoor activities with distancing are acceptable. |
| Face Masks | • Face masks for anyone over 2 years old, when indoors or when physical distancing of greater than 6 feet is not possible. | • No face masks for people without symptoms, unless they are under quarantine as a result of being exposed to someone who is infected  
• Face masks for symptomatic people |
| Hand Washing | • Frequently wash hands for at least 20 seconds, especially after touching high contact surfaces, sneezing/coughing/touching face, or before eating  
• Use hand sanitizer when handwashing is inaccessible or infeasible | • Frequently wash hands for at least 20 seconds, especially after touching high contact surfaces, sneezing/coughing/touching face, or before eating |
| Illness Monitoring | • If ill with Flu-like or COVID-like symptoms, **Stay at Home**  
• Minimize contact with symptomatic people  
• Daily temperature checks at work | • Monitor for COVID-like symptoms |
| Disinfecting | • Avoid bare hand contact with any high touch surface  
• Use barrier such as paper towel or clothing when bare hand contact is unavoidable  
• Wash hands or apply sanitizer after touching high contact surfaces  
• Enhanced disinfection, especially for high contact surfaces (door/other handles, light switches, bathroom fixtures) | • Enhanced disinfection, especially for high contact surfaces (door/other handles, light switches, bathroom fixtures) |

**At-Risk or Vulnerable Population**

For older adults, anyone with underlying health conditions, and other populations at heightened risk from COVID-19:

• Stay home as much as possible  
• Rely on help for needs outside the home (groceries, medications, etc.)  
• Distance from those working outside of the home  
• Wear a face mask around others
