

oh no!

Someone got sick.

What do I do?

Remove everyone from a 25 foot radius area.

Put on personal protective gear:

- Single use gloves
- Shoe covers
- Disposable apron
- Mask

Apply sanitizer to entire area and wait 5 minutes.

Gather any visible vomit or diarrhea. Seal it up in a plastic bag and dispose of it.

Re-sanitize the entire area. Don't forget door handles, chairs and fixtures.

Wash and sanitize cleaning equipment or dispose of it in a sealed plastic bag.

Wash your hands twice and monitor your health for symptoms for 48 hours.
